

BOREHOLE / WELL DETAILS

Borehole No..... Borehole / Well Name.....
 Owner's Name.....Land Location.....
 Name of Drilling Organisation.....
 Date Borehole / Well Sunk.....
 Depth of Borehole / Well.....Depth Water Struck.....
 Water Rest Level.....Tested Yield.....per hour
 Method of Abstraction: - Pumping Unit - Windmill - Hand Pump - Windlass and Bucket
 Pump Maker's Name.....Type of Pump.....
 Engine Maker's Name.....Type of Engine.....
 Rate of Pumping.....m/hr Number of Hours per day.....
 Size of Rising Main.....Depth Of Rising Main.....
 Diameter Of Pumping Main.....Length.....
 Pump house construction material: - Brick, Concrete, Blocks, Timber, G.I. Sheetting
 Type of Tank / Reservoir.....Capacity.....
 Approximate height above Engine.....

USAGE OF WATER

(a) Domestic Use

Amount for household purpose.....m / day
 Number of Stock Watered Daily.....Cattle
Sheep
Goats

(b) Irrigation Requirements

Type of irrigation: - Spray - Canals
 Crops.....ha.....Amount of Water, m/day

GENERAL REMARKS
